The above volume discounts are expressed as a percentage of the Wholesale Acquisition Cost (WAC) per unit in effect on the date your order is received. Discounts are not additive. Your payment must be received within 90 days of invoice to qualify for the discount. Bayer will comply with 42 U.S.C. Section 1320a-7b, and the rules and regulations thereunder, at all times. Bayer will provide notification to you of the value of any and all discounts. It is your responsibility to disclose discounts as may be required under any State or Federal program that provides cost- or charge-based reimbursement to you or your organization or the products provided through this offer (See 42 C.F.R. Part 1001). Terms are subject to change upon notice from Bayer.
